OS4 Rules for Offers & Modifications

- TDR is mandatory
- Cannot be on both OS4 (339940OS4, 339940OVER) and non-OS4 (339940) office supplies SINs
- Existing Office Supply (339940) contractors have to cancel their current contract to get on OS4
- If you have BPAs on your current contract, it will be allowed to continue until expiration but no new orders will be allowed against it.
- Existing MAS contractors cannot mod into OS4. Must submit new offer for OS4
- Existing contractors on 339940OS4 can add 339940OVER through mod and vice-versa
- https://docs.google.com/document/d/1yhoj_r5TuGXGGeQTpe0VpNP5meO6vQFHIPeWkv_qKDQ/edit

HRLOB

- New HRLOB SINs are 541612OPM and 541612PSSC
- SINs are still closed until further notice
- SINs cannot be added through modification or offer award

- We need your help in processing modifications faster
- This will benefit you
- We have a modification guide to help you
- Consolidate your mods.
- Better forecast your mods
- Expect to spend more time. We have more in depth market research and more documentation
- Clean up your mods, no ETS, TAA or bad prices

Mass Modification

- Slated to be released in January
- Once accepted, you will have the ability to mod other SINs into your current contract
